Mr. Jenner:

I wanted to express my sincere appreciation to you for hosting the *Cheesecake!!* pinup show this past February through April at Galerie Jenner. It was a pleasure working with you on everything from the design of the poster and invitation to the actual hanging of the works. This show was a great venue for many artists (including students) who ordinarily would not have the opportunity to submit art to a professional gallery like Galerie Jenner. *Cheesecake!!* was a great success in terms of the range and quality of art that was submitted, not to mention a truly outstanding opening night! The artists and guests that I have spoken to had a great time at the show and the question on everyone's mind has been "When is the next Cheesecake show?"

Cheers,
