Jeremiah:

Thank you so much for inviting the South Florida Audubon Society to benefit from the raffle at your "Leap of Faith" Gala Opening on Saturday evening, July 17, 2010. The proceeds will help support the efforts of the current and long term work of the Audubon in rescuing, cleaning, rehabbing and releasing birds and wildlife that are affected by the BP oil spill.

Your event was fun and enjoyable! I am sure the raffle winners will enjoy their artwork and photographs.

Please keep in touch and all the best with your work!

Sincerely,

Doug Young, President
South Florida Audubon Society
